Continuation of Substance of Interview including description of the general nature of what was discussed:

Examiner suggested amending the claims 1-4 to be consistent with the allowable language found in the parent. Namely, the language "enclosing in compartment A a solution or solid preparation comprising at least one species selected from oxiglutatione and dextrose" permits Faict to be used under 102 as the quoted language is met by dextrose alone. App. rep. indicated that she would have to review the file(s) and possibly contact the Japanese assignee. The ex. stated that such was acceptable, but that in the meanwhile an Office action needed to be prepared..
